

Sounds of Joy Project Service & Celebration Request

The Sounds of Joy Project (SOJP) currently serves families and patients within the following Texas counties:

- Dallas County
- Collin County
- Hunt County
- Denton County
- Tarrant County

At this time, all Sounds of Joy Project celebration requests must be submitted at least **three (3) months prior** to the patient's end-of-treatment date or desired celebration date. Early submission allows our team adequate time to review requests, coordinate resources, and provide the best possible experience for each Survivor.

Please note that submitting an application or request does **not automatically guarantee** approval for a celebration. All requests are carefully reviewed based on available resources, eligibility, scheduling, and program capacity.

Sounds of Joy Project remains committed to serving our community with compassion and excellence. As our organization continues to grow, we are determined to expand our reach and services to additional counties and families over time.

We appreciate your understanding, support, and partnership as we continue building joyful moments for those we serve.
